APPLICATION GUIDANCE

These guidance notes have been designed to assist you in completing your online application for our quarterly grants. If you require any further clarification, or if you are unsure of your charity's eligibility, please contact PH Holt Foundation administrator@phholtfoundation.org.uk

The online application form allows you to save and resume your application at any time by clicking on the **SAVE** button at the bottom of each page. Please enter your email address and a link will be sent to you at this address. You can use this link any time within the next 30 days to resume answering questions on the form. **Please be aware** that upon visiting this 'save and resume link', signatures and file uploads will need to be resubmitted. Unless you use this link the data you have entered cannot be retrieved, and you will have to start filling out the form at the beginning.

If you save your form on more than one occasion, please ensure you use the link from the most recent email you have received when you resume your application.

You may wish to draft some responses in advance so that you can check your spelling and word count before completing the form.

Please note that it is a requirement to attach the following documents, your grant application will not be considered without these:

- **3 months complete, unredacted bank statements**
- **An up-to-date safeguarding policy**
- **Most recent annual accounts (if applicable)**

Once you have completed the application, uploaded the documents, and submitted your form, you will receive an email confirming that we have received your application with a pdf attached of your submission. Should you wish to make any alterations please contact: administrator@phholtfoundation.org.uk within one week of completing the form.

The rest of this document lists the information which you will need to enter on the application form, together with supporting guidance notes where appropriate.

Input is mandatory for all fields with an asterisk*

Project Details

The Trustees will undertake a full assessment of the grant application and consider the merits of the information provided by you to determine whether the grant will be made for 1 or more years. For example, this may include the level of reserves currently held and the reserves policy; impact potential (clear and measurable objectives); existence of effective risk, controls and assurance framework; efficiency and the achievement of value for money; sound financial management practices; financial stability (the requested grant should be appropriate for the proposed activities and the charity's overall income). This list is non-exhaustive.

What period of time will this grant cover?

*Please select whether this is a single or multi-year grant
After you select a grant duration, a field will be displayed for you to enter the grant amount which you are seeking for each year of the grant*

Commented [PA2]: This section only gives 2 options i.e. 1 or 3 years. Can we add 2 years just in case?

P. H. HOLT FOUNDATION

Total grant you are requesting over the whole grant period?

If you are applying for a multi-year grant, please enter the whole amount for the period that covers the grant period e.g. for a £10 k application over 3 years, enter £30 k

Project/activity end date*

Tell us a bit more about your project/activity and what our grant will be spent on*

- *what you would like to do*
- *what difference this will make*
- *who will benefit from it*
- *how you know that it is needed*
- *is this application for a new activity, or continuing something that works well - your priorities - need to have, like to have **

(Maximum 6,000 characters including spaces, which is about 900 words)

What specific outcomes are you hoping to achieve from this funding?*

*Please provide as much detail as possible, for example what changes do you wish to achieve; how will you know your work has been a success; what is the potential for longer-term impact and sustainability; % increase in victim support sessions; % increase in the number of cases or people supported, % increase in housing, health, or welfare rights advice
(Maximum 2000 characters including spaces, which is about 300 words)*

How will you measure and monitor the work delivered*

*You will need to have a clear plan for measuring the impact of the grant and demonstrating its effectiveness. Explain how you will measure and record your work to ensure it meets a need. What system will you use for collecting data to track progress and outcomes, allowing for evaluation and learning. If you are seeking more than a one-year grant, what milestones are you seeking to achieve?
